

HOUSE CALLS

House calls are provided for housebound patients. If possible, please ring before 11.00am to speak with your doctor to organise a suitable time. For safety reasons you must be a regular patient of the practice for at least a 12 month period to qualify for house visits. If you require a home visit after surgery hours please call **Bathurst After Hours Medical Service 6333 2888**. If it is an emergency please phone **000** for an ambulance or present to the Bathurst Base Hospital.

NURSING HOME VISITS

The Doctors at Loxley House Family Practice visit their Nursing Home patients regularly at a time determined by the Doctor and/or after consultation with nursing staff at the relevant Nursing Home.

RESULTS

Please phone after 9.00am to discuss results with your doctor. If your doctor is with a patient we may ask for your contact details so that your doctor may return your call. Alternatively our administration staff may contact you to arrange for an appointment to see your GP to discuss results where necessary.

REMINDER / RECALL SYSTEM

The Doctors at Loxley House Family Practice are committed to preventative care. We may issue you with a reminder notice from time to time offering you preventative health services appropriate to your care. Loxley House Participates in National and State Recall/Reminder Registers as well as offering a Recall System to patients in relation to Diabetes, Aged Health Assessments and ATSI Health Assessments. If you do not wish to be part of these projects please advise your Doctor.

TRANSFER OF MEDICAL RECORDS

If you require records to be transferred from your old practice, our reception staff will be happy to provide you with a file transfer request form.

If you request your file from Loxley House to be transferred to another practice we require a signed letter of release. We will act upon your request promptly and there may be a charge associated with this request.

INTERPRETER SERVICES / 131 450

If you or a family member require an interpreter service, we can organise this for you. Please let us know when you make the appointment.

WHEELCHAIR ACCESS

Access is available through our back entrance. You can enter via the driveway in Seymour Street. Disabled parking is also available. If you require assistance, phone 6331 7077 and the reception staff will assist you.

MEDICAL STUDENTS

As part of our commitment to medical education, Loxley House Family Practice will occasionally have students sitting in with your Doctor as observers. However please feel free to request that the student leave the room at the time of your consultation.

PATIENT FEEDBACK

From time to time we ask our patients if they would participate in our practice surveys. We understand that your opinions are of great importance to us. They help us to assess the type of services that we are providing. They are completely confidential.

PROBLEMS AND COMPLAINTS

We realise that problems can arise with medical care. If you have any queries or problems with any aspect of your health care, please do not hesitate to speak with one of our doctors or a member of our staff. If you have any complaints that you feel cannot be resolved, you can contact The Medical Complaints Body for NSW by phone on **1800 043 159** or at:
